***Please join us in welcoming our esteemed Judges:***

### ***Anic Vermette - Quebec***

We first brought Anic to Ontario in February 2007 to our first two ring trial held at the London Agriplex. Gloria had met Anic when judging for the Quebec City club in the mid-2000s and we had a blast at their club's trial.

A great smile, love of the sport and great attention to safety and the handlers experience are all apart of the package with Anic. In 2007, she even ran my Toller, Jonah, on her own Masters Standard course.....in French! Jonah didn't care and they had a fabulous run!

Anic's passion is Briard's and they are beautiful like their Mom!

### **Jennifer Laird – Harrowsmith, Ontario**

I started with Agility in 1998 when I moved to Ontario from Nova Scotia.

I have taught Agility since 2000. I have volunteered at many club trials in Ontario and have learned how important volunteers are.

I have competed in AAC, CPE, USDAA, UKI and PDSC with 4 of my 6 dogs. I currently have 3 Border Collies, 2 Dalmatians, and 1 Working Bearded Collie (who will be competing soon).

With my veteran dog Fredericka, whom I lost in December 2015, I have completed Lifetime and Lifetime Versatility awards, earning almost every title the AAC has. As well, Fredericka and I have won several Regional championships and 1 National Championship. We have also been in the top 6 at Nationals for 2008 – 2015.

I have been an AAC judge since 2007. I am also a judge for CPE, PDSC and UKI.

I have been on the committees for the Ontario Regionals from 2006 – 2019 and for six Nationals. I am also currently on the Judges Standing Advisory Committee and the National Steering Committee with the AAC.

I have judged AB/NWT Regionals in 2014 and 2016, the MB/ SK/NU Regionals in 2015, judged the PreQual at Nationals in 2016 and I am looking forward to judging Ontario West Regionals this year!

I served on the AAC Board of Directors as the Recording/Corresponding Secretary from 2013 to 2016.

## **Darr Houssen – New Brunswick**

I'd like to start off by thanking Gloria for inviting me to be one of the judges for this 2018 regional championship. I am honored to be entrusted with this wonderful event.

A bit of history on my involvement in the AAC agility organization. I was one of the founders of the first Maritime dog enthusiasts group to put together an official AAC agility dog club together called F.A.M.E. (Flyball Agility Maritime Express). That was way back in the beginning years of the AAC. Things have sure evolved and developed since those early years....our first jumps were wooden, our weave poles were plastic buckets, filled with cement with a broom handle sticking out of the center of each bucket. Our tunnels were feed sacks sewn together with heavy twine. Now that is dating me isn't it....haha. Our group still laughs about the primitive start-up gear.

Personally, I am on my 3rd fleet (group) of dogs at present time. The first group included 2 border collies and a pomeranian. The next generation was an aussie, another border collie, a lab x and the same pom as in the first group. At present, I'm running 2 border collies, 2 aussies and a shorkie. And there is a rookie ( a chi-weeni named "Slick") in training for next season. I guess you can tell that I'm hooked on this amazing sport and the fun and accomplishments it brings. There are incredible highs when my goals are met and opportunities to learn when things go a muck. All in all, enjoying time with my dogs is still the number one goal in all that I do with this sport. From the practice field to regular trials to running in a nationals event, I love seeing them performing a new skill, developing confidence and "like" what they are doing and of course having fun with me.

Besides competing, I have had the honor of chairing the AAC Nationals in 2008 and then co-chairing the 2014 Nationals, both in beautiful Sussex, NB. Our committees completely loved the projects and had a blast putting them together. Along the journey from the early 90's to present, I've judged several trials from Edmonton and Calgary in Alberta to Halifax, NS. Loved every moment of it and love seeing the talent across this big country.

Whatever your goals are for this competition, remember the thrill of playing an amazing game with your best bud, and for your dog, success means that **you** are happy from start to finish and he/she got to spend some really fun time with "you". **"GOOD LUCK"** to everyone competing. May all your goals be accomplished and **"enjoy the ride"** first and foremost.

Darr

**WARM UP RUNS ON FRIDAY MORNING** before the AAC Sanctioned Trial begins:

Schedule for the warm up runs is here: [Warm Up Schedule 25 May 2018](#)

### **WARMUP GUIDELINES:**

- You may use food and/or toys in the warm up rings. You may not use training aids such as targets, hoops, wires. Please keep activities age appropriate. No harsh verbal or physical corrections ever.
- You have 2 minutes. Timers will start as you walk thru the ring gate. You will hear a buzzer at 90 seconds – please start making your way to the exit as you play and be leashing up at 2 minutes. We have a LOT of runs to get thru
- The gate stewards will be sorting each 5 dog mini group into Reg or Spec/Vet so the Aframe can be set correctly for you.
- If you miss your 15 minute window, we may not be able to accommodate you but we will try.

## RUNNING ORDERS

As there seems to be a lot of confusion with the new 2018 height groups and a lot of changes have been happening, so it's reasonable to suspect that some dogs might measure-in at a different height and/or division than planned, at Registration on Friday. So, as this is an online catalogue, these links will take you to the best, most recent version of the Running Orders.

## WHILE WE'RE BEING HOSTED BY REACHHuron AND THE GREATER CLINTON AREA: please note:

1. The entire venue is non-smoking, you must leave the property to smoke.
2. The contract with REACHHuron prohibits alcohol in the venue.
3. Clean up after your dogs – everywhere!! At your accommodation, at REACH, everywhere. It is getting harder and harder to find venues and Hotels that will allow dogs. Do your part – take dog towels and sheets to your accommodation, leave it clean, quiet your dogs. We want that new Comfort Inn in Goderich that will be finished for next year (it was supposed to be finished end of March this year) to hear what awesome guests we are and open all 65 rooms for us!!! Be a part of making that happen.
4. THERE IS NO SETUP OF TENTS OR RVS (except Vendor's booths) prior to 6pm Thursday or the announcement that setup is complete and you may do your thing, happens, whichever comes first. Setup volunteers are welcome anytime after 2pm at REACHHuron.
